

## Overview

Royal Caribbean is the ultimate family-friendly cruise line — a floating resort experience that combines innovation, adventure, and entertainment on the world's largest ships. Every sailing is designed to help guests reconnect, recharge, and rediscover their sense of wonder at sea.

## Ships & Style

Known for its groundbreaking ship classes, Royal Caribbean's fleet includes the Icon, Oasis, and Quantum classes — featuring neighborhoods, Central Park promenades, and water parks at sea. Each ship blends cutting-edge design with the familiar warmth of traditional cruising.

## Atmosphere & Vibe

Energetic, social, and fun for all ages. From surf simulators and ice-skating rinks to quiet solariums and balcony retreats, there's a space for every traveler's pace. Perfect for families, couples, and multigenerational groups.

## Dining & Entertainment Highlights

Choose from global flavors — classic main dining, buffets, specialty venues, and fine dining. Enjoy Broadway-style shows, AquaTheater performances, and live music across the ship. Adventure meets elegance in every bite and every evening show.

## Destinations & Itineraries

Royal Caribbean sails worldwide, including the Caribbean, Alaska, Europe, and Asia. Private destinations like Perfect Day at CocoCay add exclusive experiences with beach clubs, waterparks, and overwater cabanas.

## Loyalty & Perks

The Crown & Anchor Society rewards repeat cruisers with priority boarding, exclusive events, and stateroom discounts. Casino players can also earn complimentary or discounted sailings through Club Royale.
